

FREE ENERGY UPGRADES

Mayor Thomas M. Menino's Renew Boston initiative has partnered with NSTAR and National Grid to provide qualifying Bostonians with no-cost home energy efficiency improvements. Renew Boston offers City residents and landlords a low-hassle way to lower their energy bills, increase the value of their homes and reduce greenhouse gas emissions.

See reverse for eligibility guidelines

ELIGIBILITY FOR NO-COST RENEW BOSTON SERVICES

Income-eligible Boston renters and homeowners living in a single family home or a multi-family building with up to four units are eligible for no-cost Renew Boston services. Landlords serving income-eligible tenants can also take advantage of Renew Boston services. Other eligibility criteria include:

- Active interest in weatherization improvements
- Renters have landlord approval for any efficiency improvements installed in the home, and
- Resident income falls between 60 and 120 percent of State Median Income (see table below)

Contact Renew Boston for details on other conditions and restrictions that may apply.

Persons per household	Qualifying Income Ranges
One	\$30,752 – \$61,504
Two	\$40,214 – \$80,428
Three	\$49,676 – \$99,352
Four	\$59,138 – \$118,276
Five	\$68,599 – \$137,198
Six	\$78,061 – \$156,122

You can still save if you don't meet the income eligibility -- Residents with incomes above these guidelines are still eligible for significant rebates for energy efficiency. Contact Mass Save at 1.800.632.8300.

RENEW BOSTON SERVICES

Renew Boston and its partners will provide participating residents with a range of no-cost efficiency services including a comprehensive home energy assessment and up to \$3,500 in insulation and air sealing. Other free energy efficient products may be available depending on the results of the home energy assessment.
